Dr. Bowman Honored At Liberty Church

Dr. Joseph J. Bowman, Intermin Pastor at Liberty Baptist Church for the past five months, conducted his last service at the church on Sunday, June 25th. On Wednesday night, June 28th, at 6:30 p.m., to show their appreciation for his ministry, members of the church had a covered dish supper for Dr. and Mrs. Bowman and presented Dr. Bowman with a love gift.

Dr. Bowman came to Liberty as Intermin Pastor when the former pastor, Dr. Thomas D. Lea, left to accept a call in Birmingham, Alabama. Dr. and Mrs. Bowman have made many friends while serving in Appomattox and they both will be missed in our community. We wish them health and happiness in their future years of retirement.

The Rev. Richard C. Brackin, of Bowie, Maryland, has accepted a call to Liberty Baptist Church and will begin his ministry here the first of July.

"The Hawaiians" To Be At Concord Church July 29

"The Hawaiians," Mark and Diane Yasuhara, well known to the Lynchburg area, will stop here as they sweep the eastern seaboard on tour. They will perform Wednesday, June 28, at the First Presbyterian Church on the V.E.S. road and then the next night, Thurs., June 29 at Bethlehem United Methodist Church in Concord, Va. Both concerts will begin at 7:30 p.m.

Mark, who was born and raised in Hawaii, has earned the distinct honor of being chosen regional winner of both the Metropolitan and San Francisco auditions. His unusual versatility has resulted in offers to perform in major operatic roles with the Honolulu Symphony. Mark has received his degree in music from the University of Hawaii. He holds concerts for colleges, universities and high schools across America. Mark has been chosen for the second straight year to sing at Washington D. C. at the Con-

Social Honors Rev. Hoke

On Sunday evening, June 18, the members of Piney Ridge United Methodist Church entertained with an ice-cream social at the church, in honor of their pastor Rev. John Hoke and family, who will be leaving the Pamplin Charge after four years service.

The couple were presented with a bedspread in appreciation of their services, and many friends they have made. We wish them God-Speed.

Strawberrirs can be productive when managed properly. I know of one small garden patch where 150 plants were set two years ago. This year 251 quarts were harvested.

The patch was destroyed after the second years production.

Watch the Cole crops (cabbage, cauliflower, brussel's sprouts, etc.) for imported cabbage worm and/or cabbage loopers.

These insects can be hard to kill, Bacillus thuringiensis is one of better materials to use since it is effective and is safe to use. Remember this material is effective only against worms and does not control aphids or flea beetles.
